Read and Dream Reading Log

Students will record the number of minutes they read each day on the log below. Minutes spent reading for homework, for pleasure, or being read to all count! To receive a book award, students must meet the required number of minutes for their grade level listed below. Blue slips are awarded for Accelerated Reading (AR) points. At the end of each month total up the minutes and record below along with your AR points and a parent signature. AR point reporting will be verified against the class records, but only kids turning in a log will get blue slips for the AR points.
